Country of production: The Netherlands

**World première:** 28<sup>th</sup> International Documentary Festival Amsterdam, November 2015

**International première:** 66<sup>th</sup> Berlin International Film Festival, February 2016

### Synopsis

Skatekeet is a documentary about Keet, a ten-year-old girl, whose skateboard skills have attracted attention in a skate world dominated by boys. Besides getting respect from her fellow skaters she also encounters lack of understanding from others. Keet rolls through a world of pre-conceived opinions on how girls should be, while carving out her own path.
